1. The Israel Ports Development & Assets Co., Ltd. ("IPC"), a governmental corporation which is responsible for the future development of the major ports in Israel (Haifa, Ashdod & Eilat), has just announced the above-noted Tender.
2. We have attached hereto the advertisement for that Tender which may prove of interest to experienced contractors in Poland.
3. Further information can be secured via email to Mr. Shlomo Shkolnik of the IPC at shlomos3@israports.co.il or by fax (+972-3-5612184) as indicated in paragraph 3 of the attached advertisement.
4. The works involved in the construction of these ports are of a very large scale and of great importance to the trade of the State of Israel.

6. Please rest assured that the IPC will be pleased to provide additional information which your offices and/or the various parties you have contacted will request in connection with this Tender.

With our best regards and with thanks, in advance, for any kind assistance you may provide,

Yours truly,
