GLOBAL TRANSPORTECH 2013

Global TransporTech, a major trade and business development event for the transportation equipment manufacturing industry, will be held at KINTEX in Ilsan, Korea. Offering upgraded programs for exhibitors and buyers, the event will serve as an ideal opportunity for the mutual growth of all participants.

At a time when global companies are looking to Korean manufacturers for quality products and competitive prices, and with Korea's free trade agreements opening doors to vibrant business, Global TransporTech arranges one-on-one meetings between exhibitors and visitors to facilitate business transactions.

Global TransporTech will do its utmost to ensure that participating companies find business opportunities in the Korean market with leading global enterprises.
